

## How Will I Apply Today's Lesson?

We should always remember to turn to Jesus! He always knows what is best. And He is always willing to help!

Instead of trying to figure out how to solve a problem on our own, how can we turn to Jesus, instead?

- By spending time in prayer, asking God to help solve our problem
- By looking for a Bible verse that talks about our problem
- By asking a godly adult, like our Sunday school teacher, if he or she will pray for us or suggest a Bible verse that talks about our problem
- By listening to our pastor or teacher, to see if God may give us answers on how to deal with our problem during a sermon or Bible lesson

## A Truth to Remember from Today's Lesson

Jesus is not only able to help, but also willing to help—He always is! When you have problems, do you ask Jesus for help or do you go to others? Mary did the right thing and came to the right Person! She did not go to the man in charge of the meal, nor to the bride or groom, or their family members, nor to the disciples. She went directly to Jesus with her problem.
